

BIG ARTY CRAFTY

SILENT AUCTION

MCO FOREVER FUNDRAISER

Hi all

MCO Forever is the fundraising campaign to enable Masham Community Office, a registered charity, to continue it's vital work... Home to Masham's pre-school, community library, community hub, tourist info and Flock Gallery - it is where so much of the good stuff that happens in Masham starts, and we have to raise £215,000 to buy the building by the end of August. We at ArtisOn, along with other local artists and ArtisOn tutors, want to help ensure its future. We are nearly there, and hoping the proceeds from this action will help get us over the line. All items have been donated by the artists, and 100% of the funds raised will go to the MCO Forever campaign.

There are 41 items in the auction. You may know many of the artists from participating in their workshops at ArtisOn. Most are working professionally and selling their work in galleries or online. A handful of donations have also been made by non-professional creative enthusiasts wishing to support the campaign. Further information about the artists and their work can be found on their website where appropriate.

The following pages contain a list of the 41 items, the name of the artist, their website, description of the item including dimensions and a photo. Where useful we have given an indication of where to start bidding. These are not a strict reserve but we wanted provide a guide.

This summary contains only low quality thumbnail images. You may wish to see bigger, better-quality images, in which case view larger images by [clicking here](#). Click on the image to view full size and see the item number and artists name which corresponds to the list below.

HOW TO BID?

This is a **Silent Auction** - you can't see the bids others have placed. If there is something you would like to bid for, decide what the item is worth to you, and simply email mco-forever@artison.co.uk stating the following information in the Subject line of the email, separated by commas as shown below:

Item number, Artist name, Bid amount

e.g. Item 6, Julie Hand, £55

That's all! Please send separate emails, as described above, for each item, and bid, you wish to place by 10:00AM Fri 11th August. The highest bidder for each item will win the artwork and will be notified by Mon 14th August to arrange payment.

Please get in touch if you have any queries – email hello@artison.co.uk or call 01765 689637

Enjoy!

Fundraiser

Arty Crafty Silent Auction

Closes 10:00 AM Fri 11 August

ITEM NO: 1**Hester Cox**

Gorgeous original print by Hester. This evocative print is one of a limited edition, framed in natural wood frame. Though no longer living in Masham, Hester has strong connections to Masham.
